

## Introducing the Team at Evolve Financial Services:

**Benjamin Allen** is the Director and Senior Financial Planner at Evolve Financial Services. Ben initially trained as an Accountant and is the Principal of D R Allen & Associates. It was during this time Ben recognised a need for his clients to obtain quality financial advice and he studied to become a financial planner. During this time he operated a boutique financial planning practice. Ben has gained valuable experience advising hundreds of clients on a wide variety of financial planning issues. In September 2011 Ben established Evolve Financial Services as the financial planning arm of his accounting practice. In Ben's spare time he likes to spend time with his family, following his football team and heading to the countryside on his motorbike.

**Esteban Garzon** is our Financial Planner and has worked in the financial services industry for over seven years. He has developed a keen understanding on different types of financial matters, how they can affect a client's life and how to best deal with these. Esteban was a welcome addition to the Evolve team in December 2016 and has rapidly developed a rapport with many of our clients and has assisted them with achieving their financial goals. In Esteban's spare time he follows the football and spends time with his family and friends.

**Raelene Donley** is the Senior Administrator at Evolve Financial Services providing customer service support to our clients, and management support to Ben and Esteban. Raelene has a background in Corporate Superannuation and has worked in the financial services industry, specialising in Risk Insurance, for most of the past 25 years. Raelene spends her free time with friends and family, watching her boys playing sport, and enjoying new experiences.

**Anne Harvey** is the Office Administrator providing excellent customer service to our many clients. Anne has worked in financial services in England for several major insurance companies for a number of years, specialising in pensions and insurance prior to joining Evolve in 2014. Anne enjoys spending time walking on the beach and being with her family in her spare time.
